Event Name:	2025 Fermilab Tech Day
Date:	Thursday, March 13, 2025
Fermilab Campus:	Entrance: Batavia Road, Batavia IL, 60510

Time:	Set up:	Thursday, March 13:	9:00am –10:00am
	Event:	Thursday, March 13:	10:00am – 1:00pm
	Teardown:	Thursday, March 13:	1:00pm – 2:00pm

*The Expo will take place in Building 327, The Big Room.

Included Items | Exhibit Size:	Items included in all exhibitor packages: 6' table, chairs, electric
	*Please note: exhibit size for this event is a table top. There is enough room for a vertical roll-out style banner, but a 10' pop-out is not recommended.

Security Information/Gaining Access On Expo Day:

Please submit company rep info to Federal Training Partnership by COB on Thursday, February 20 by filling in the information at the following link: https://www.federaltrainingpartnership.com/rep-registration.

<mark>After completing your company rep registration submission, you will be contacted by Fermilab with your access pass (they may also ask for you to complete additional via another registration form).</mark>

Please Note: you **must be a U.S. Citizen to exhibit at this event**. All visitors must be escorted at all times.

*Company representatives need to bring a valid United States driver's license to gain access to the Fermilab campus.

Everyone will need to bring photo ID (and REAL ID compliant). A driver's license is sufficient unless it was issued in:

Driving Directions:

From Chicago:
From Chicago, travel west on the Eisenhower (I-290) to I-88 (80 cents). Exit I-88 at the Farnsworth exit, north or right (60 cents). Farnsworth becomes Kirk Road. Follow Kirk Road to Pine Street. Turn right at Pine Street, Fermilab's main entrance.

From O'Hare Airport:
From O'Hare, take I-90 east toward Chicago. After just a couple of miles, take I-294 south, toward Indiana (80 cents). From I-294 take the exit to I-88, the east-west tollway, toward Aurora (80 cents). From I-88, take the Farnsworth exit (60 cents). Turn north onto Farnsworth. Farnsworth becomes Kirk Road. Follow Kirk Road to Pine Street. Turn right on Pine Street, the main entrance to Fermilab.

From Midway Airport:
Take Cicero Avenue north to the Stevenson Expressway South (I-55) to I-355 North (toward northern suburbs). Take I-355 to the East-West tollway (I-88). Take I-88 West for approximately 10 miles to the Farnsworth North exit and turn right. Travel 2.9 miles to the Pine Street entrance to the Fermilab site.

After passing through the visitors checkpoint, you'll need to visit the badge office to pickup your guest badge (marked by the orange arrow and circle on the below map).

*Please see attached map of the Fermilab Campus. Building 327 is where the red arrow is pointing.

Equipment:

IMPORTANT: Shipping is not allowed directly the Fermilab Campus.

*Please note: Federal Training Partnership and Fermilab will not be held responsible or liable for items shipped to any government facility. Delivery of equipment cannot be guaranteed if items are shipped to this location as it is not allowed, nor recommended.

Contact: If you have any questions on the event day, please contact the Program Manager – Kevin Glatstein @ 718-704-3694 or kg@federaltrainingpartnership.com.
